ID INDIA FORUM 2012

2nd International Conference on Identification Solutions for a Networked India

Pragati Maidan, New Delhi, India – February 22, 2012

CALL FOR PAPERS

Unique ID Authority of India (UIDAI) formed by the Government of India under the eminent IT professional Mr. Nandan Nilekani has been working zealously aimed at providing a unique identity number and biometrics smart card ID to all Indian citizens. The Unique ID is expected to be the largest ID implementation in the world with biometrics technology playing a crucial role. In addition to this India has spearheaded several large ID projects. The Indian ID market is expected to witness boom in Government ID Applications including ePassports, national smart ID cards, Voter photo ID card; PAN card; DL&RC; Ration Cards, automated border control, airports security and access, healthcare, hospitality and law enforcement applications. Private sector ID applications are expected to span sectors such as Enterprise Identity Management, access control, banking financial and insurance, pharmaceuticals, hospitality, and retail applications.

EXPOSIUM INDIA is hosting India's second international exhibition and conference on identification technologies and its applications ID INDIA EXPO 2012 incorporating Cards Expo 2012, RFiD- NFC Expo 2012, e-Pay Expo 2012, Biometrix Expo 2012 and e-Sec Expo 2012 from February 22 - 24, 2012 at Pragati Maidan, New Delhi, India. The international event is presented by The Smart Card Forum of India (SCAFI), and is Co-Sponsored by TEEMA.

In view of the importance of the above, EXPOSIUM INDIA is hosting ID INDIA FORUM 2012, the International Conference on Identification Solutions for a Networked India, at Pragati Maidan, New Delhi, India, on February 22, 2012.
